

HOPPER BARGE

# Helge R

The self-propelled split hopper barge Helge R has been **purpose-built** for the transport of all types of dredged materials.

This hopper barge can therefore be offered to a wide range of projects and provide a continuous and effective service to any dredger.

The **split hopper hull** is designed for quick discharge of all different sorts of soil.

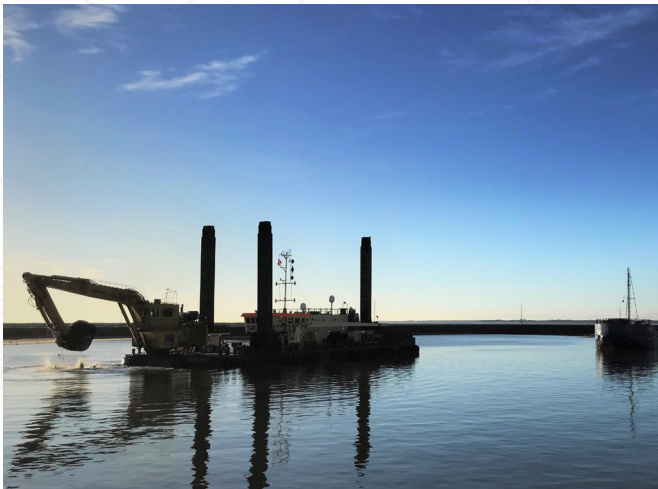

The two engine rooms are equipped with powerful CAT C18 engines fully electronically controlled and easy to maintain, securing **continuous and high productivity**.

The barge is equipped with all the **latest environmental technology**, meeting and exceeding current regulations and industry standards. Furthermore, Helge R operates solely with **biodegradable** hydraulic oils and lubricants. **RESON PDS 2000** allows for optimal and accurate operation, as well as precise load measurement.

## Nordic mythology

**Helge** and his brother Roar were legendary kings of Denmark. Helge roamed the seas on his infamous Viking raids, expanding the kingdom while his brother governed the capital.
